**FLAT-FEE HOME CALL-OUT £60.00**

**A Flat-Fee, One-Time Payment To Configure Your Wireless Internet Connection On Up To Five Computers.**

- Please ensure that your service provider has activated your service and that you have your welcome pack available.
- We can configure your existing Wireless Modem / Modem Router or supply you with one should you require it. Each computer connecting to this device will require a Wireless Network Adapter. These too can be supplied if necessary.
- Computers running operating systems other than Windows XP may require additional configuration. The engineer will advise you of this as additional costs may be necessary.
- In the event that any of the systems you have asked us to configure cannot be, reasons may include but are not limited to: Inadequate Specification, Virus Infestation, Software Corruption or Incompatibility then several options are open to you. The computer can be left in it's present state (with no connectivity) or can be taken by the engineer back to our workshop. The system will be repaired and then brought back to you and configured at a later date. This service will cost a further £60.00 plus the cost of any parts if needed.
- Installations are available for locations which fall outside of our five mile catchment area. Our price increases by £10.00 for every extra five miles we have to travel.

Should you wish to take advantage of this offer then please contact us on the number at the top of this leaflet. Our sales team will take your details and the engineer will then contact you to confirm a suitable installation date. Typically we can visit you most Thursdays or Saturdays.

**Quotations For Large Jobs & Businesses Are Available On Request**

All prices are inclusive of VAT.  
All engineering work will incur a labour charge.  
Please ensure that all data is backed up before our engineer arrives as EZ Computers accept no responsibility for the loss of data however caused.  
Please make certain that you have read fully our terms and conditions prior to making a booking as we are unable to refund labour after work has taken place.

**Please ensure that your internet provider has activated your internet service and that you have your welcome letter and account details to hand when the engineer calls.**
